Dear Homeowner/Occupant:

As you may, or may not know, the trash collection company for our Association is Waste Management. The Association is responsible for the maintenance of the roads and by establishing an exclusive contract with one provider for trash and recycle services, the wear and tear from heavy truck traffic on our roads is kept to a minimum.

The fee for this service is individually billed by Waste Management to each homeowner, not through your Association dues. To arrange new service or to modify existing service with Waste Management, the following information will expedite that process:

1. Association Name: Eagle Bluff HOA
2. Account or Contract Number: this is a unique number to each owner found on your individual invoice
3. Base Charges:
 1. Trash Container (1) and Recycle Container (1): \$12.25/home/month
 2. Additional Containers \$8.00/home/month each
 3. Delivery Charges: NONE
4. Collection:
 1. 1x weekly trash and 1x weekly recycling curbside service \$12.25/home/month, billed quarterly*; or
 2. 2x weekly trash and 1x weekly recycling curbside service \$ 20.25/home/month, billed quarterly*

* Rate includes fuel, environmental, RCR charges and Pima County Fees
5. Discounts:
 1. An Additional \$5 per invoice administrative charge can be waived by signing up for automatic bill pay and paperless billing through www.wm.com.

Individuals that have already paid forward for collection services with Waste Management, can request a credit for any overpayment in services.

If you have any questions regarding your billing please contact Waste Management directly at:
520-744-2600

We thank you for your continuing compliance with our community rules and regulations. The Association's rules and regulations, as well as other useful information, can be found on our website at:
